WHAT IS JADEVALUE ?

JadeValue is a Fintech Incubator located in the heart of the financial center in Shanghai, Lujiazui.

We provide promising Fintech startups with the capital, talent and network they need to reach their next level. With a stunning view over the Huangpu River, our large incubator space is an innovation, learning and idea exchange platform, where startups, investors, and the global FinTech network can interact.

FOCUS AREAS

We are looking for great founders and teams with ideas and passion to disrupt their industry. We focus on the areas we believe will generate some of the most cutting edge FinTech innovation in the future.

WE ARE POWERED BY
CASHBUS

現金巴士 | CashBUS
微額速達（上海）金融信息服務有限公司

CashBUS is a market-leading mobile consumer financial service provider in China, offering inclusive micro consumer loans via a single payment and installment loan option. The Company's credit scoring is based on world-class proprietary technology, leveraging big data and advanced machine-learning algorithms.

CashBUS was founded by Tang Yang, a serial internet entrepreneur and visionary leader with deep knowledge of the FinTech industry. Before he founded CashBUS in 2014, he was a Senior Investment Advisor for China Growth Capital (CGC), and founded goumin.com.

IN-HOUSE SUPPORT TEAM

At JadeValue, we have an experienced in-house team to support the startups in their growth. From recruitment to legal advisory to data science, our people are there to assist the startups in their most crucial needs.

ADVISORS

JadeValue has a strong network of entrepreneurs, investors, executives and domain experts who can advice and provide resources for the startups, through e.g. seminars and coaching.

SOME OF OUR INVESTMENTS & INCUBATION

PARTNER OF CFIC

JadeValue FinTech Incubator is located in the China Financial Information Center (CFIC), which is a subsidiary of Xinhua News Agency, the largest news and information broadcasting facility in China. CFIC Tower represents the strategic cooperation between Xinhua News Agency and Shanghai Municipal Government. It serves as the functional platform for facilitating Shanghai's construction as an international financial center, and Xinhua News Agency's initiative to be a world leading news agency.
